We ask those whose children need a little extra assistance unbuckling and buckling to pull into the South-most line at the entrance, and pull off into the North-most line by the playground. Please do not exit the car unless you are in the Car Seat Assisted line. The parking lot will open at 8:40 am, and 3:55 pm. We are also extending pickup until 4:10 to alleviate the need to rush to pick up your child. Do not line up on the street, you will be ticketed by the Racine Police. Be kind to our neighbors and don't block their driveways. On days when it is raining hard, students will be in the building, please have your family name on display for pick-up. We are grateful for your cooperation.
