

Welcome Back!

This Week's Warrior

Happy Retirement!!

We are both happy and sad to announce the retirement of **Mary Stravers**. She has been an outstanding addition to the Trinity team for 10 years.

We would love to gather together and celebrate Mary, however with Covid that is not possible. If your family would like to send a card, drawing or gift you can send them to Trinity and we will make sure she receives them.

Every great teacher has to retire one day, but their deeds and their teachings always remain in the **hearts** of their students. Many happy wishes to you for your in retirement Mrs. Stravers!

Adult Confirmation Classes

Wondering what your student is being taught in religion class or what Lutheran's believe? With your student attending school here do you want to become even more a part of the Trinity Family?

Pastor Jennings will begin Adult Confirmation class on **Monday, September 14th at 6:30pm.**

We will maintain social distancing and wear facemasks. Class runs one hour per night and for approximately 10 weeks.

The material we are studying is "God Connects".

Call Pastor Jennings at 262.752.1692 for questions, to sign-up or for additional information.

WHAT'S FOR LUNCH 2020

This institution is an equal opportunity provider

Drop-off and Pick-Up Parking Lot Flow

In the updated handbook you will find the information for Pick-up and Drop-off. (Here is a image for your reference as the north, south, east and west can get confusing and you can give this to Grandparents and other family member who drop off and pick up your child)

Please be patient as the first week is going to be a little slow going as we adjust to this new method.

Drop-off and pick-up by parents/guardians is to be done in the parking lot.

Drop-off-begins at 8:40am

To keep traffic *flowing smoothly* enter the parking lot from the south, using the south driveway. Avoid turning off Good to enter the south, this will create a bottleneck. . When exiting, use the north drive to head north, turning left out of the parking lot. You will need to circle the block if you need to go south. At the Good intersection, turn RIGHT, again circling the block if needing to head west. This will allow everyone to move faster.

Students should wait until an adult has taken their temperature before entering, parents may continue to exit. Your child should be checked for fever prior to leaving home. Morning temperature checks are an added precaution.

Pick-up-begins at 3:55pm ends at 4:05

There will not be an option to arrive early.

Gate will not open until 3:55.

To keep traffic flowing smoothly enter the parking lot from the south, using the south driveway. Avoid turning off Good to enter the south, this will create a bottleneck. . When exiting, use the north drive to head north, turning left out of the [parking lot. . You will need to circle the block if you need to go south. At the Good intersection, turn RIGHT, again circling the block if needing to head west. This will allow everyone to move faster.

To keep traffic flowing smoothly enter the parking lot from the south, through the south driveway. When exiting, use the north drive to head north, if you need to head south you will have to go around the block. At the Good intersection, turn RIGHT, again circling the block if needing to head west. This will allow everyone to move faster.

No parking or standing near the playground parking spots. These spaces will be used for class pick-up groups.

For the safety of our students, and supervised, all students will be dismissed with their class to the parking lot, including walkers and bus riders. **Please share with anyone who will be picking up your children.**
