1Thessalonians 5:11

Trinity family, it is with great pride that we are able to announce one of our very own staff members, Samantha Hansen, has contributed her beautiful writing to a compilation book entitled "A Little Perspective: Real Stories of Little Ladies". Throughout this process, Sam has let Christ's light shine and pointed others to HIM through various appearances, podcasts, and virtual talks to promote the book. What an awesome blessing.

Sam is currently taking pre-orders. If you are interested in placing an order and haven't reached out to her yet, please do so! Sam supports and loves all of the Trinity kids so well, we can now show the same for her! Great job, Sam!

Adult Confirmation Classes

We greatly appreciate you sending your students to Trinity. If you do not yet have a Church home and are curious about the Lutheran Church, we invite you to an Adult Confirmation Class, which **began this past week Monday, September 13 at 6:30 pm.** Pastor Jennings will lead a discussion that lasts about an hour and runs for nine weeks. Participants are encouraged to ask questions and learn more about the Lutheran faith. If at the end you believe as we do, you will have an opportunity to be Confirmed and join the church as you continue to be part of the school.
It's not too late to still sign up!

If you have any questions email Pastor Jennings at sjennings@trinityracine.com or call him at (262) 752-1692.

We had a great response from the family ideas/input handout!

If you did not get a chance to fill it out we have an online form available as well!

You make known to me the path of life; in your presence there is fullness of joy. *Psalm 16:11*

ATHLETICS

5th-8th Grade Girls Volleyball

Both of our volleyball teams started their seasons with great battles on Kenosha Christian Life this past Tuesday. Both teams played well and have a lot to build off of heading into the rest of the season. Our first volleyball home games are TONIGHT vs. Racine Christian School. Our 5th/6th grade team will be playing at 5pm and our 7th/8th Grade team will be playing at 6pm. We are so excited to be hosting our first home volleyball game in 2 years!

5th-8th Grade Boys and Girls Cross Country

Cross Country has had a great 2 weeks of practice and are READY for their first meet. Our 18 runners will be competing in the Wisconsin Lutheran Cross Country Meet on Friday. We are looking forward to seeing our runners in action!
