2022-2023 Athletic Fee Information

Beginning with the 2022-2023 athletic year, we will be implementing a Trinity athletic fee for all of our Trinity athletes. This athletic fee will align us more with other area athletic programs, provide our athletic program with additional resources to pour back into our athletes, and also help with our need for volunteers throughout the year. This will be a one-time, \$50 fee for the school year for all of our athletes. Once rosters are finalized for each season, you can send in your payment to the athletic office or we will charge the fee to your Educate account. More details can be seen in our policy, which is also included in our 2022-2023 Family Handbook and 2022-2023 Athletic Handbook. We thank you for your support!

2022-2023 Athletic Physical Forms

We require our athletes to have a physical form on file every other year-5th Grade, 7th Grade, and any new athletes to our school. As we were getting caught up on the "COVID years", many of our 5th-8th grade athletes provided their physical forms last year. Therefore, if you provided a physical form last year, you will NOT need to provide a new one this year. We just ask that you stay current every 2 school years. If you have questions about if you have a current physical form on file, please feel free to reach out to Mr. Simonis and he will verify. You may use the RUSD version of the form (most physician's offices have these) or you can use Trinity's version (available via Mr. Simonis) Ideally, we would like to have these on file before your athlete participates in their first GAME of the 2022-2023 athletic year.
