ATHLETICS

Track

Last weekend was the last regular season meet for our track team. I want to say that we are beyond proud of all of our students that went out there and worked hard for Trinity this spring season! This weekend we have a few of our athletes competing at the state track meet at Kettle Moraine Lutheran High School. We wish the best of luck to those students as they go and show their talents with the rest of the state!

Summer Youth Programs & Football Signup

There are attachments to this week's Warrior from Racine Lutheran High School with different information regarding summer youth camps and how you can sign up for football this fall. Please take a look below to see what your student would be interested in!
