ATHLETICS

Volleyball

This past weekend our girls went to state and played their hearts out. We are so proud of the girls for all of the hard work they put into this volleyball season. They were so fun to watch, and being one of sixteen teams is a true statement of how well they worked together through the good and challenging times. *The volleyball season has officially come to an end, but we are so excited for next fall.*

Basketball & Cheer

All of our winter teams have officially begun their season this week! Our basketball and cheer teams get to practice before they take the court to compete and entertain the crowd. **Our 7th & 8th grade boys teams will be playing in a tournament at Concordia Lutheran School next weekend.** If you have nothing planned, please come and support our boys! Information on dates and times will be out soon.
