Basketball & Cheer

We have had two nights of home games in the past week. In that span, our basketball teams have won every game! We are so proud of our basketball teams with the hard work that they have been putting in this season. Our cheer team has also been doing an amazing job cheering on our boys and entertaining the crowd. All of our coaches have been doing a great job finding a way for our students to find success on the court.

This weekend is our annual Warrior Weekend Tournament! This is a B Team Tournament so only our 5th & 6th grade teams will be participating. Our cheer teams will be at the tournament all weekend doing some cheers and also leading some half time fun! This will be half court shots and some duck toss. It is going to be a fun weekend, please come out and support our athletes during a fun weekend!

Go Warriors!

TOYS FOR TOTS

Trinity will be having a toy donation drive for the "Toys for Tots" organization from January 24th-February 8th. Toys for Tots is a Racine community group that provides gifts to children in the area. They have been able to help Racine community families for almost 100 years! If you have new (or slightly used) toys that need a new home, please consider donating them during our toy drive. You may have toys that your child or grandchild have outgrown and could be used and appreciated by someone else. This may be especially helpful as people have received Christmas gifts and are looking for new homes for some toys that are not being used as often. Boxes will be placed by the school office, in the K3-K5 hallway, and in the connecting link during this time frame. **Thanks for your support!**
