FROM THE PTL!

What an amazing Fall Fest! We are so grateful for everyone who helped make this event a success!

A special thank-you to all the volunteers who ran our games and booths, helped with activities, kept things running smoothly, and worked hard behind the scenes with setup and cleanup. These events take many helping hands, and we appreciate every single person who gave their time!

Thank you to everyone who donated candy and sweets, and to our incredible trunk hosts. The trunks were AMAZING and definitely set the bar high for future Fall Fests!

Most of all, thank you to our students and families for coming out, participating, and making so many fun memories together!

We are blessed with such a wonderful school community. Thank you for making Fall Fest so special!

ATHLETICS

Basketball & Cheer

We have officially started the long winter season sports! Our A Basketball teams and Cheer team have already had their first practices of the season. We are really looking forward to the hard work and dedication the athletes will be putting in. We expect all of our students to learn and grow and show the talents that God has given them throughout the season. We are looking forward to our home games where we can cheer on our teams and see the work that they have been putting in!
